- The MOU will be amended to show that the decision to play or not play due to weather/field conditions will be a joint decision between the TRC and TUSD.
- The Early Learning Room is currently scheduled through the library at TRC and they would like to move room request to Community Pass.
- TRC requested language be added to the MOU that says, "as a primary sponsor of Turner Days, TRC Sponsorship will be recognized on all Turner Days marketing materials and advertisement".
- TRC would like to see the aquatic center maintenance take place after their summer swim program ends in mid-July.
- TRC would like to see TRC swim events added to the priority of pool usage.
