Board Reports

Joy Beery- Ms. Beery thanked the summer school staff for all their hard work and she appreciates the facilities team for all the work they are completing to prepare for next year. She shared that she hopes the taxpayers recognize with the vote that reduced the TRC mills that the Board is trying to do their best for the community. She also congratulated Chandra Ward on her reappointment.

Becky Billigmeier- Ms. Billigmeier congratulated Chandra Ward on her reappointment and thanked her for her years of service on the board.

Bryan Fishbaugh- Mr. Fishbaugh shared that good stewardship of tax dollars is a fiduciary responsibility of the Board. He congratulated Chandra Ward for her reappointment and thanked Steve Russell for the invitation to his dad's celebration of life. It was a wonderful family celebration.

Daniel Soptic- Mr. Soptic shared that he agrees with all that was said by other members of the Board this evening. He also shared that he attended Mayor Joe Steineger's funeral, and that Turner was mentioned numerous times and the family was thankful for the community's support.

Steve Russell- Mr. Russell shared that the Turner Recreation Mill Levy Resolution did not seem too complicated. In the past when discussing moving benefit money to the general fund Turner Recreation was consulting lawyers, etc. This way was more consolidated, public, and transparent.
