Superintendent's Report

Dr. Dandoy shared that school started last week and the first few days with students has been great. He also reminded the board that NSBA conference registration will be opening soon and provided them with the holiday gathering date.

Board Reports

Joy Beery- Ms. Beery shared that convocation was fantastic. She also attended a few back-to-school open houses and it seemed like everyone was ready for the school year to begin. She was surprised that she didn't see Turner Recreation at any of the back-to-school events promoting their programs. She did comment on the roads that some of our bus stops are on and that some are quite dangerous.

Becky Billigmeier- Ms. Billigmeier also shared her concern regarding some of the dangerous roads within Turner. She proposed the idea of someone driving every route to see if the route is safe prior to school starting and Dr. Gerber shared that the drivers run the routes before school starts. Ms. Billigmeier shared that convocation and open house were great, but she was disappointed only the Girl Scouts offered after school program information and no other groups participated.

Bryan Fishbaugh- Mr. Fishbaugh shared that convocation was great. He attended the Turner Recreation meeting last week and they are bringing back the Elderberries potluck. He shared that it will take the community time to adapt to the new bus stops and it may help if parents escort their young students to bus stops or drop them off at school if they are concerned about the bus stop.

Steve Russell- Mr. Russell shared that convocation went well and that Dr. Weber and Ms. Wolterman have the perfect personalities to host the event and make it enjoyable.

Theresa Tillery- Ms. Tillery shared that convocation was very enjoyable. She also shared that the community needs to understand that the transportation requirements from the state are not new.

Executive Session

Motion to enter into executive session for the purpose of discussing personnel issues pursuant to the non-elected personnel exception under KOMA. The board will return to the open meeting room at 7:30pm. The board invited Dr. Jason Dandoy to join them in executive session.
