The board shall approve or deny each request based on the circumstances of the individual student. The student's request shall be in writing, addressed to the superintendent, state the reasons supporting the request, and include a copy of the graduation plan and a letter of support from the student's parents. The letters of request shall be sent to the superintendent.

Requests made by Journey School of Choice students may be approved by the superintendent or designee following the first quarter of the students' seventh high school semester.
