9. Grant Summary:

This is a grant for schools and nonprofit organizations to support literacy. The funds will be used to compile an age appropriate library to support below grade level readers during intervention. This will allow students to have their needs met more effectively, which in turn will accelerate growth.

The amount is typically \$400-500, which is the amount anticipated. Some applicants receive up to \$4,000 for their program.

The application does not provide a way to ask for a specific amount; instead, organizations are awarded based on the decisions from the grant committee.

10. Required Matching Fund: Yes No

If yes, list name of party agreeing to match funds and the amount required.
