## Midwest Facility Masters Conference

October 28-29, 2024 • Exhibits on October 28 • Wisconsin Dells

### About

The Midwest Facility Masters Conference is a tremendous opportunity for facility managers, buildings and grounds supervisors, school business managers and district administrators to gain a new perspective on technology, procedures, processes and impacts of the facility and staffing decisions in their districts. This one and one-half day educational conference features a wide variety of classes targeted specifically for school facility and business professionals, an exhibit hall where vendors can showcase their products and services, and [professional recognition](#). This event draws attendees from Iowa, Illinois, Minnesota, Missouri, and Wisconsin.
