RE: Early Graduation

To Whom It May Concern:

I am writing this letter of recommendation as the parent of Serenity Hanson she is currently a Junior at Turner High School. She currently has a GPA of 3.71 and is ranked 22nd in her class and is in the 89th percentile.

Serenity has been involved in many sports activities which include Softball, Volleyball, Basketball, Cheerleading, & Track. She has also been in many extra-curricular programs, she was in Leadership when she was in 8th grade, Student council in 6th grade, she has been in Avid since 9th grade, and she has qualified for National Honor Society the last two years. She is currently in two different Choir classes and currently has over 200 hours community services.

Serenity has had a full/part time job since she was 15 and been able to maintain her grades and all her extra activities. She is currently taking CNA classes in the evening at KCKCC. She is an exceptional student athlete and leader. I am extremely proud of the young woman she has become and can't wait to see what the world has in store for her.

Sincerely,
Veronica Hanson
