

Dear Dr. Penrose,

My name is Madelin Najera, and I am a freshman this year, class of 2024. While I was enrolling for next year, it came to my attention that I could possibly graduate early. I have already spoken with my parents and Ms. McDowell. My parents think it's a good idea that I start my career early and take advantage of this opportunity I have. Ms. McDowell told me a few options that I have of graduating early, either a semester or possibly a year. I am aware that I cannot have the option of being valedictorian or salutatorian and I'm completely fine with that. But I think I will take the advantage of being able to graduate a year early since I can and I have thought it through. I also know that I have to take summer school to get more obligated credits for me to graduate and I am willing to take them. I plan to study a math major since I'm pretty good at it and I enjoy doing it. I don't know what college yet but hopefully I'll figure out which is best for me on the way. I was hoping you would consider giving me permission to graduate early if that's okay. Thank you.

-Madelin Najera

Querido Dr. Penrose

Yo Danilo Najera y Cristina Amaya, padres de Madelin Najera, clase 2024. Hacemos una petición para que nuestra hija pueda adelantar su graduación. Debido a que ella está adelantada en sus estudios. Y así cumplir su sueño de comenzar el colegio lo más antes posible. Reconocemos que ella no tendrá la oportunidad de ser valedictorian o salutatorian. Reconocemos que ella a hecho en excelente trabajo como estudiante.

-Danilo Najera y Cristina Amaya

RE: Madelin Najera, Request for Early Graduation

To Whom It May Concern:

Madelin Najera has a desire to graduate a year early. She is currently in her 2nd year of high school. She is interested in studying math in the future. She is an AVID student and has started considering different colleges to attend.

Madelin currently has a 4.267 gpa and has 11.0 credits. Madelin took courses during summer school and in middle school to help her have 11 credits which is what is needed to be a junior. Her schedule next year will include the following classes to meet her graduation requirements. I have included her transcript.

English 11 Advanced A/B
English 12 Advanced A/B
Trigonometry/Calculus
Physics A/B
Modern World History/American Government Advanced
Spanish III A/B
Elective

Please let me know if you have any questions or need additional information.

Sincerely,

Nicole McDowell
