RE: Serenity Hanson, Request for Early Graduation

To Whom It May Concern,

Serenity Hanson would like to graduate a semester early so she can prepare for college. This would make her expected graduation date to be December 2022.

Serenity currently has 17.5 credits. She is currently enrolled in 3.5 credits. She plans to attend beyond the bell for English 12B. The classes that she will need to be enrolled in Fall 2022 are English 12A, Modern World History, American Government, General Fitness, Health, and 2 elective classes. If Serenity passes all of her classes this semester, attends beyond the bell, and passes all of her classes for the Fall 2022 semester then she will earn the 25 credits needed to graduate.

Please let me know if you have any questions or need additional information.

Sincerely,
