RE: Early Graduation

To Whom It May Concern,

We are writing to see if Hannah would be allowed to graduate early from Turner High School in December.

We have given it much thought, consideration and many family meetings over this and her future.

Hanna has been working Monday-Friday every day while going to school and has already been offered a fulltime job while she pursues her studies at Kansas City, KS Community College. We have discussed her classes and what our expectations are of her by graduating early.

We are very proud of Hannah and are excited that even with taking classes over the summer to help her graduate early that this will be a very positive and healthy thing for Hannah.

If you have any questions or would like to set up a meeting with us we will be more than happy to oblige.

Thank you for your time and consideration,

Danielle Miller-Cordry and Jason Cordry
