

Section: K: General Public Relations

Title: Public Information Programs

Number: KB

Status: Active

Adopted: 3/5/1996

Revised: 8/2/2016; 7/19/2022

The board shall keep the public informed about the school system's functions and operations.

Newsletters and other Media

The board may issue a patron newsletter. The superintendent or the superintendent's designee shall be responsible for the content of the district newsletter and other district-sponsored media or publications.

The superintendent shall direct the dissemination of district information and report to the board as requested.

When approved by the principal, attendance center announcements or school-related information may be sent home with students.
