Dear Turner, USD 202 Board of Education,

---

My name is Emily Smith, I am a senior at Turner High School, and I am writing you to request permission to graduate early. This is something I've always wanted and have worked hard at to achieve. By January 15, 2021 I will have completed all of the required classes to graduate. My plans for myself after graduating are to go to TEC and get my Cosmetology license next year as soon as the pandemic starts to slow down.

Sincerely,

Emily Smith

Dear Turner, USD 202 Board of Education,

---

My daughter, Emily Smith, will be done with all her required courses to graduate by January 15, 2021. It is my understanding that she would like to graduate early, and I am writing to you to ask for permission to have her do so. I believe that this is a very good opportunity for her. Emily's plans for after graduation are to get her Cosmetology license and to start work as soon as she can. Her grandparents and I have asked her to wait a year or so until the pandemic slows down before she goes into the TEC program; I know that she wants to start immediately once she can safely do so.

Thank you,

Jennifer Ashworth

RE: Emily Smith, Request for Early Graduation

To Whom It May Concern:

Emily Smith has a desire to graduate one semester early since she only needs 3 credits to graduate. She was originally enrolled in the TEC Cosmetology program but declined to attend due to COVID and hopes to pursue this once the pandemic is not as severe. She is a remote student completing her courses online.

Emily currently has 22 credits with a 3.41 g.p.a. She is enrolled in 3.5 credits this semester and since she is a remote student, she can fulfill the needed English 12 B credit. If she passes her classes this semester, she will have the correct credits to graduate at the end of the semester.

Please let me know if you have any questions or need additional information.

Sincerely,

Nicole McDowell
