STRATEGIC PLAN

TOP THREE OUTCOMES

STUDENT ACHIEVEMENT

- Implementation of Eureka Math Squared curriculum in grades K-12 resulting in increased achievement
- Increased student efficacy - goal setting, celebrations of success based around achievement and growth
- Adoption of 6th – 12th English Language Arts curriculum

EMPLOYEE SUPPORT

- Increased awareness and review of student and staff demographic data with movement towards a more diverse staff
- Industry-driven job postings and career fairs for classified staff
- Increased understanding and implementation of mentor/buddy requirements

COMMUNITY CONNECTION

- Increased cohesiveness and offerings within early childhood program
- District-wide intentionality behind cultural awareness and celebrations
- Implementation of transfer family onboarding process

POSITIVE LEARNING & WORK ENVIRONMENT

- Decrease in student physical conflict across the district
- Staff engagement with diversity, equity, and inclusion consultant
- Improved data reflecting collaboration amongst teaching staff

OPERATIONS

- Purchase of new interactive displays at the elementary level and new classroom displays at secondary level
- 91% of transported students are utilizing the Ride 360 app
- HVAC improvements across the district

EARLY CHILDHOOD EDUCATION

Turner Parents as Teachers (PAT)

Turner families with children ages 0 - 4 are eligible for participation in the Parents as Teachers program. Families enroll in the program and are paired with a Parent Educator who conducts home visits twice per month.

Program Highlights

This school year, the Parents as Teachers playroom was revamped to create a more welcoming environment with early literacy resources and activities. Because of this, Parents as Teachers has been able to host one-on-one playtime as well as playgroups in the space.

22 - 23 By the Numbers:

Our Turner PAT served 83 families. Of these, 52 are classified as low income.

Turner PAT Parent Educators made a total of 915 home visits.

We have one bilingual Parent Educator whose case load includes our Spanish-speaking families.

Turner Early Childhood Program

Any Turner family with a child under the age of five is welcome to participate in our no-cost early childhood programming, which aims to promote early childhood literacy amongst our youngest Turner residents.

Program Highlights

Toddler Tuesday: Each Tuesday during the school year from 9:30a - 10:30a at Turner Recreation Commission, families with toddlers can join our early childhood staff for playtime, opportunities to mingle with other community families, sing alongs, a guided read aloud, hands-on activities that promote fine motor skills, and literacy-based resources to take home.

Rhyme Time: Each week, families are mailed a rhyme time package with instructions on how to do the activities at home. The packages include a nursery rhyme for families to sing at home as well as a fine motor activity related to the theme of the rhyme. Children who learn rhymes at a young age have better success in sound recognition.

Early Childhood Events: Throughout the year, our program offers a variety of no-cost early childhood events focused on activities and resources to promote literacy skills.

Turner Preschool Program

Turner USD 202 offers no-cost preschool for all families residing in the district. The program accepts 3 and 4-year old students and includes both a half day and full day option.

The district will be opening two new preschool classrooms at Turner Elementary for the 23 - 24 school year. The new space will be state of the art, with a collapsible wall between the classrooms to offer collaboration as needed.

Program Highlights

The program features certified teachers and kindergarten-ready curriculum with transportation to and from school provided at no cost.

District assessment data shows that students who attend preschool in USD 202 perform better on kindergarten assessments than those who do not.

22 - 23 By the Numbers:

This school year, there were 235 students enrolled in USD 202's preschool program.

COLLEGE & TECHNICAL EDUCATION

58

Class of 2023 students who earned college credit while at Turner High School. Through established partnerships, USD 202 students are able to take Turner High School coursework that will earn them credit through Avila University, Kansas State University, University of Missouri, and KCKCC

13

Class of 2023 students who earned KCKCC Technical Education Certificates in the areas of Certified Nurses Assistant (CNA), Medical Assistant, Electrical Technology, Culinary Arts, Nail Technology, and Heating and Refrigeration

107

10th - 12th grade students who earned college or certificate credit during 22 - 23 school year

Construction & Design (Building Trades)

COMMUNITY ENGAGEMENT

USD 202 values service and engagement within our local Turner community. This school year, several student groups performed community service projects for various local organizations and nonprofits. The 22 - 23 community service projects included the following:

- *Turner High School soccer team constructed a community garden at New Story Church*
- *National Honor Society and Turner Elementary Care Club helped plant and harvest vegetables at KC Farm School*
- *Turner High School wrestling team helped with fall leaf clean-up for local senior citizens in conjunction with Turner Community Connection*

- *Turner High School culinary arts students prepared side dishes for the monthly Elderbearies Luncheons where they mingle with and facilitate activities with senior citizens*

- *Turner Elementary student council did a Thanksgiving meal drive for New Story Church and AVID students delivered and helped sort and box the meals*

- *Turner High School baseball team helped with local playground clean-up and repair*
- *Midland Trail Elementary Care Club and Junction Elementary student council facilitated a food drive for New Story Church*
- *Junction Elementary 4th grade helped plant vegetables at Turner Community Garden*
- *Turner High School baseball team volunteered at The Hub food pantry*
- *Turner High School softball team stained the arbor and wood signs at Turner Walking Park*
