11. **Return of special order items are subject to the policies of the vendor and the items may not be returnable**
12. Images may not accurately represent items being quoted.

THANK YOU FOR YOUR ORDER!

*** RECEIVING YOUR EQUIPMENT AND SUPPLIES DELIVERY**

Congratulations on the purchase of your new equipment!

Thank you for choosing US Foods Culinary Equipment and Supplies as your E&S source.

To promote a smooth delivery process, please ensure that these easy steps are shared with the appropriate personnel who will be receiving your delivery.

BEFORE signing the Freight Bill:

Confirm the pieces received match the Freight Bill and note any discrepancies on the freight bill such as shortages/overages.

Check for any visible product, packaging, or pallet damage and notate on the freight bill. Look for:

Crushed corners

Puncture holes

Broken pallets

If possible, open the carton(s) to check that the product is in good condition.

If you find even slight damage to the packaging and/or pallet, note "DAMAGED SHIPMENT" on the freight bill and have the driver acknowledge the damage by signing all copies.

Call US Foods CES Customer Support immediately - 1-888-909-2080.

AFTER signing the Freight Bill:

Un-crate as soon as possible to check for concealed damage.

Packaging must be free of any visible damage and must be saved for inspection purposes.

Product should not be moved to a different location.

Report the concealed damage immediately but no later than 5 days from delivery by calling US Foods CES Customer Support – 1-888-909-2080.

Note – It is good practice to take clear pictures of any damage, including packaging/pallet, as the carrier and manufacturer will request them.

Thank you again for your business,
