Scope of Work

Convergint is providing this proposal to replace eight (8) PNM-9081RQZ Hanwha multi-sensor cameras at the Turner DAC identified as needing to be replaced due to failure during a service call. During the service call, a Convergint specialist was able to determine that four of the eight cameras are inoperable and recommended they be replaced. The other four cameras that are not working could not be accessed by the specialist without a lift.

The customer has agreed to provide a lift to service the four cameras that were not accessible by the Convergint specialist without a lift. The customer would prefer to only have to provide a lift once for this repair effort. The customer has requested that Convergint order the replacement cameras for the four cameras that were not accessible so that they are onsite and available for replacement while the lift is on site. If the cameras that were not accessible without a lift do not need to be replaced, the customer will keep the cameras for stock/future projects or have the cameras returned to the manufacturer by Convergint. The customer understands that they will be responsible for a restocking fee if required by the camera manufacturer.

Convergint will install DITEK DTK-MRJOEX PoE surge protectors for each camera. The surge protection installation location will be determined by the Convergint specialist at the time of install.

Once the cameras have been replaced, the customer would like to have the cameras sent to the manufacturer to determine if they are eligible for warranty. The Convergint specialist determined that the cameras are eligible for warranty based upon the date of purchase. The cameras may not be covered under warranty if the manufacturer determines that the cause of failure was a lightning strike (manufacturer warranty does not cover acts of God).

If the cameras are not eligible for warranty, the customer would like to receive an estimate for the cost to repair the cameras. The customer would like to have the cameras repaired and returned for stock/future projects if the repair cost is determined to be reasonable in comparison to purchasing new cameras. Convergint will discuss the cost of repair with the customer prior to authorizing the manufacturer to move forward with repairs.

SECTION 1. THE WORK

This Installation Proposal takes precedence over and supersedes any and all prior proposals, correspondence, and oral agreements or representations relating to the work set forth in the attached scope of work ("Work"). This Installation Proposal commences on the Start Date as specified in the attached scope of work and represents the entire agreement between Convergent and Customer (the "Agreement"). In the event any provision of this Agreement is held to be invalid or unenforceable, the remaining provisions of this Agreement shall remain in full force.

Convergent agrees in accordance with the mutually agreed project schedule:

- To submit shop drawings, product data, samples and similar submittals if required in performing the Work;
- To pay for all labor, materials, equipment, tools, supervision, programming, testing, startup and documentation required to perform the Work in accordance with the Agreement;
- Secure and pay for permits and governmental fees, licenses and inspections necessary for proper execution and completion of the Work, unless local regulations provide otherwise; and
- Hire subcontractors and order material to perform part of the Work, if necessary, while remaining responsible for the completion of the Work.

Customer agrees in accordance with the mutually agreed project schedule, and at no cost to Convergent:

- To promptly approve submittals provided by Convergent;
- To provide access to all areas of the facility which are necessary to complete the Work;
- To supply suitable electrical service as required by Convergent; and
- That in the event of any emergency or systems failure, reasonable safety precautions will be taken by Customer to protect life and property during the period of time from when Convergent is first notified of the emergency or failure and until such time that Convergent notifies the Customer that the systems are operational or that the emergency has cleared.

No monitoring services are included in the Work. Any such services shall be governed by a separate agreement.

Title to the Work, including any materials comprising the Work, shall pass to Customer as the Work is completed and the materials are incorporated into the Work at Customer's site. If materials are earlier stored on Customer's site pursuant to agreement between Customer and Convergent, title with respect to such materials shall pass to Customer upon delivery to Customer site.

SECTION 2. PRICING

Pricing and amounts proposed shall remain valid for 30 days unless otherwise specified. Price includes only the material listed based on Convergent's interpretation of plans and specifications unless noted otherwise. Additional equipment, unless negotiated prior to order placement, will be billed accordingly. Sales taxes, (and in Canada GST/PST) and any other taxes assessed on Customer shall be added to the price upon invoice to Customer.

SECTION 3. INVOICE REMITTANCE AND PAYMENT

If the Work is performed over more than a month, Convergent will invoice Customer each month for the Work performed during the previous month. Customer agrees to pay the amount due to Convergent as invoiced, within thirty (30) days of the date of such invoice. If the Work is completed in less than one month, Customer agrees to pay Convergent in full after the Work has been performed within thirty (30) days of the date of being invoiced. Invoices shall not include or be subject to a project retention percentage. If Customer is overdue in any payment to Convergent, Convergent shall be entitled to suspend the Work until paid, and charge Customer an interest rate 1 and 1/2% percent per month, (or the maximum rate permitted by law, whichever is less), and may avail itself of any other legal or equitable remedy. Customer shall reimburse Convergent costs incurred in collecting any amounts that become overdue, including attorney fees, court costs and any other reasonable expenditure.

SECTION 4. WARRANTY

Convergent provides the following SOLE AND EXCLUSIVE warranty to the Customer:

For the period of one (1) year, commencing at the earlier of substantial completion of the Work, or first beneficial use, ("Warranty Period"):

- That Work performed under this Agreement will be of good quality;
- That all equipment will be new unless otherwise required or permitted by this Agreement;
- That the Work will be free from defects not inherent in the quality required or permitted; and
- That the Work will conform to the requirements of this Agreement.

The Customer's sole remedy for any breach of this warranty is that Convergent shall remove, replace and/or repair at its own expense any defective or improper Work, discovered within the Warranty Period, provided Convergent is notified in writing of any defect within the Warranty Period.

Any equipment or products installed by Convergent in the course of performing the Work hereunder shall only carry such warranty as is provided by the manufacturer thereof, which Convergent hereby assigns to Customer without recourse to Convergent. Upon request of Customer, Convergent will use commercially reasonable efforts to assist Customer in enforcing any such third-party warranties. This warranty excludes remedy for damage or defect caused by abuse, modifications not executed by Convergent, improper or insufficient maintenance, improper operation, or normal wear and tear under normal usage. NO FURTHER WARRANTIES OR GUARANTIES, EXPRESS OR IMPLIED, ARE MADE WITH RESPECT TO ANY GOODS OR SERVICES PROVIDED UNDER THIS AGREEMENT, AND ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED.

Without invalidating this Agreement or any bond given hereunder, Customer or Convergent may request changes in the Work. Any changes to the Agreement shall be in writing signed by both Customer and Convergent. If Customer orders any additional work or causes any material interference with Convergent's performance of the Work, Convergent shall be entitled to an equitable adjustment in the time for performance and in the Agreement Price, including a reasonable allowance for overhead and profit.

SECTION 6. FORCE MAJEURE

Neither Customer nor Convergent shall be responsible or liable for, shall incur expense for, or be deemed to be in breach of this Agreement because of any delay in the performance of their respective obligations pursuant to this Agreement due solely to circumstances beyond their reasonable control ("Force Majeure") and without the fault or negligence of the party experiencing such delay. A Force Majeure event shall include, but not be limited to: accident, fire, storm, water, flooding, negligence, vandalism, power failure, installation of incompatible equipment, improper operating procedures, source current fluctuations or lighting. If performance by either party is delayed due to Force Majeure, the time for that performance shall be extended for a period of time reasonably necessary to overcome the effect of the delay. Excess/Umbrella Liability	\$10,000,000 per occurrence/aggregate

All insurance policies carried by Convergent shall be primary to and noncontributory with the insurance afforded to Customer and shall name the Customer as "additional insured", with respect to liability arising out of work performed by Convergent, as applicable, but only to the extent of liabilities falling within the indemnity obligations of Convergent, pursuant to the terms of this Agreement. Convergent shall provide to the Customer no less than thirty (30) days' notice prior to the termination or cancellation of any such insurance policy.

SECTION 8. INDEMNIFICATION

Convergent shall indemnify and hold Customer harmless from and against claims, damages, losses and expenses, attributable to bodily injury, sickness, disease or death, or to destruction of tangible property, but only to the extent caused by: a) the negligent or willful acts or omissions of Convergent or Convergent's employees or subcontractors while on Customer's site, or b) the malfunction of the equipment supplied by Convergent, or c) Convergent's breach of this Agreement.

IN NO EVENT SHALL EITHER CONVERGENT OR CUSTOMER BE LIABLE TO THE OTHER PARTY HERETO FOR SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING COMMERCIAL LOSS, LOSS OF USE OR LOST PROFITS, EVEN IF THAT PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL CONVERGENT BE LIABLE TO CUSTOMER FOR ANY AMOUNTS IN EXCESS OF THE AMOUNTS PAID BY CUSTOMER TO CONVERGENT.

It is understood and agreed by the parties hereto that Convergent is or may be providing intrusion products which are designed to provide notification of certain events but are not intended to be guarantees or insurers against any acts for which they are supposed to monitor or inform. Convergent's indemnification obligation pursuant to Section 8 herein, does not apply to the extent the loss indemnified against is caused by any intrusion product or software provided by but not manufactured by Convergent. Convergent shall have no liability to Customer for any losses to the extent such losses are caused by the intrusion product or software. Customer shall indemnify, defend, and hold harmless Convergent, from and against all claims, lawsuits, damages, losses and expenses by persons not a party to this Agreement, but only to the extent caused by such intrusion product or software provided by but not manufactured by Convergent.

SECTION 9. COMPLIANCE WITH LAW, SAFETY, & HAZARDOUS MATERIALS

This Agreement shall be governed and construed in accordance with the laws of the state/province in which the Work is being performed. Convergent agrees to comply with all laws and regulations relating to or governing its provision of the Work. Convergent shall comply with all safety related laws and regulations and with the safety program of the Customer, provided such program is supplied to Convergent prior to beginning work.

In the event that Convergent discovers or suspects the presence of hazardous materials, or unsafe working conditions at Customer's facility where the Work is to be performed, Convergent is entitled to stop the Work at that facility if such hazardous materials, or unsafe working conditions were not provided by or caused by Convergent. Convergent in its sole discretion shall determine when it is "safe" to return to perform the Work at Customer's facility. Convergent shall have no responsibility for the discovery, presence, handling, removing or disposal of or exposure of persons to hazardous materials in any form at the Customer's facility. Customer shall indemnify and hold harmless Convergent from and against claims, damages, losses and expenses, including but not limited to, reasonable attorney's fees, arising out of or resulting from undisclosed hazardous materials, or unsafe working conditions at Customer's facility.

Customer acknowledges that applicable law or regulation may limit Customer's rights and impose obligations with respect to information or data obtained using software capable of obtaining what may in certain circumstances be characterized as biometric information (individually and collectively, the "Software") and agrees that Customer is solely responsible to ensure its own compliance with such laws or regulations. Customer shall completely indemnify, defend (including pay attorneys' fees and disbursements), and hold harmless Convergent, its affiliates, and any employees, agents, contractors or representatives of any of the foregoing from and against any and all losses, liability, damages, penalties, expenses, claims, demands, actions, or causes of action, judgments (finally awarded) or settlements (individually and collectively, "Liabilities") arising from or related to any intentional or negligent acts or omissions of Customer or any of its agents, affiliates, employees, or representatives arising from or related to the Software, any hardware, software, or other services associated with the Software, or the use of any of the foregoing by or on behalf of Customer, including but not limited to those arising from or related to Customer's failure to comply with applicable laws or regulations related to its use of the Software or any hardware, software, or other services associated with the Software, including but not limited to the Customer's failure to obtain any necessary consents from affected individuals or provide any necessary disclosures or protections with respect to the information of such individuals under any applicable privacy or data security law, but excluding matters for which Convergent has agreed to indemnify Customer from and against third party claims for copyright and trade secret infringement under the terms of the End User License Agreement for the Software between Convergent and Customer. Notwithstanding the foregoing, Customer and Convergent agree that Liabilities suffered by a third party (other than an affiliate of Convergent) which are an element of loss subject to indemnification under this paragraph shall be deemed direct damages.

SECTION 10. DISPUTES

In the event of any dispute between Convergent and Customer, Convergent and Customer shall first attempt to resolve the dispute in the field, but if that is not successful, then in a meeting between authorized officers of each company. If settlement attempts are not successful, then the dispute shall be decided exclusively by arbitration. Such arbitration shall be conducted in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association currently in effect and shall be a final binding resolution of the issues presented between the parties. The prevailing party shall be entitled to recover its reasonable attorneys' fees and costs.

SECTION 11. MISCELLANEOUS

Neither party to this Agreement shall assign this Agreement without the prior written consent of the other party hereto. Convergent may assign this Agreement to any of its parents, subsidiaries or affiliated companies or any entity majority owned by Convergent.

Notices shall be in writing and addressed to the other party, in accordance with the names and addresses of the parties as shown above. All notices shall be effective upon receipt by the party to whom the notice was sent.

A waiver of the terms hereunder by one party to the other party shall not be effective unless in writing and signed by a person with authority to commit the Customer or Convergent and delivered to the non-waiving party according to the notice provision herein. No waiver by Customer or Convergent shall operate as a continuous waiver, unless the written waiver specifically states that it is a continuous waiver of the terms stated in that waiver.

The Sections regarding invoicing, warranty, and indemnity, and disputes shall survive the termination of this Agreement.
