

DECA International Career Development Conference Estimated Budget

Turner DECA is seeking approval from the Board of Education to register students that qualify at the State Career Development Conference for the International Career Development Conference in Orlando, Florida. Turner DECA is also seeking approval to register a crowdfunding campaign to raise funds for the trip – the internal grant form was submitted for approval.

Below is the estimated quote for the 7 students that could potentially qualify for DECA ICDC in April. Students will learn if they qualified on Tuesday, March 7 and accommodations for lodging and travel will need to be made quickly because of the large number of schools in the Kansas City area (KS & MO) that will be using MCI to fly to Orlando.

The rooms are calculated for double occupancy and there is no guarantee that a rollaway bed will be available. Many hotels only allow for them to be requested upon arrival and the cancellation policy doesn't allow for a room to be cancelled upon arrival.

DECA International Career Development Conference			
Orlando, FL
