

CONSTRUCTION UPDATE

Turner School District: January 2021

Greetings to the Turner Community!

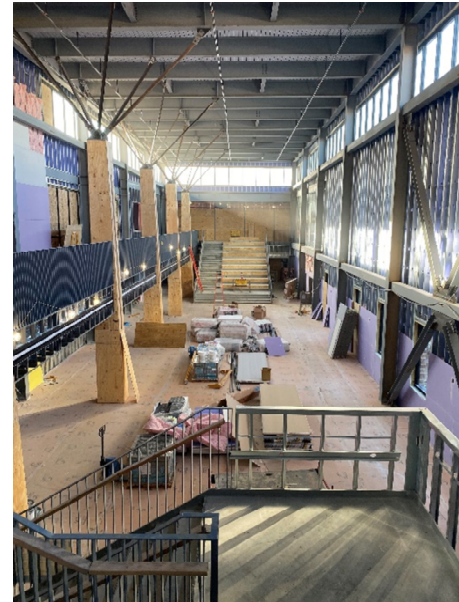

The construction project team wanted to give everyone a quick update on progress and what to expect moving forward. **THANK YOU** to all for your continued support and patience!

Turner Middle School

(left) Administration spaces are being painted out and ready for ceiling grid next week.

“Tree” Columns are taking shape in the commons area (right) And the drywall being installed on the exterior wall.

(below) Is the view into the new Idea Lab. There will be large glass panels installed at the upper level openings, along with a neat Turner Bears graphic filling the entire left wall.

Continued!

Some before and after pictures. Brick being installed on the West & South face of the building.
