

CONSTRUCTION UPDATE

Turner School District: April 2021

Greetings to the Turner Community!

The new Turner Middle School is springing forward! See images below for the construction team's update and progress. **THANK YOU** to all for your continued support and patience!

Turner Middle School

(left) Corridor with solid surface bench/countertop.

(below right) Idea lab casework and wood paneling is installed.

(left) Colab ceiling clouds are installed and lights are powered up.

(left) Site work has started around the cast stone mural.

Continued!

Sidewalks/stairs being poured on the North side of the building. Along with, some before and after pictures of the commons.
