

# CONSTRUCTION UPDATE

Turner School District: February 2021

## Greetings to the Turner Community!

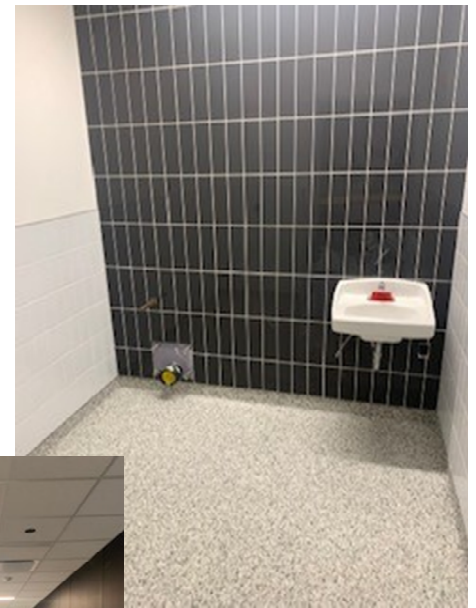

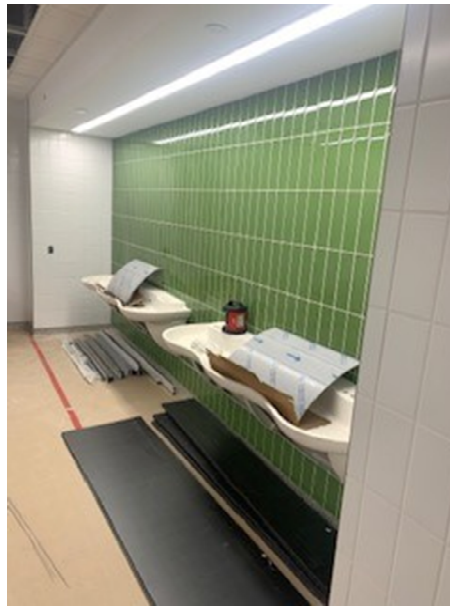

The construction project team wanted to give everyone a quick update on progress and what to expect moving forward. **THANK YOU** to all for your continued support and patience!

## Turner Middle School

(left) Reception area casework being installed.

(below right) Are pictures of the restrooms showing the colorful tile and resinous flooring nearing completion.

(left) Is the carpet being installed in the classroom spaces.

(right) look down the classroom corridor

## Continued!

Some before and after pictures. Brick being installed on the West & South face of the building.
